The *Missa de Dringhs* is a parody mass, based on *Tous les regretz*, a secular chanson by Brumel. I have included this piece at the start. The title, however, has never been satisfactorily explained. Perhaps the original tune used the word *Dringhs* in it, or perhaps there is some secret hidden within. Glareanus (1488 – 1563) refers to the mass, spelling the title in Greek characters. Besides this, however, there is no explanation as to why it is called *Dringhs*.
